Item 8.01 Other Events

Previously, on February 3, 2010, in the case *Sheila Newman vs. National Western Life Insurance Company*, the Trial Court in Weatherford, Parker County, Texas (“Trial Court”) entered a Final Judgment against National Western Life Insurance Company (the “Company”) of approximately \$208,000, including actual damages of \$113,000 and amounts for attorney’s fees, and prejudgment interest on the actual damages. In addition, the Final Judgment included \$150 million for exemplary damages.

The Company filed an appeal of the Final Judgment with the Second District of Texas Court of Appeals (“Appellate Court”). On August 11, 2011, the Appellate Court entered a Judgment ordering the judgment of the Trial Court be reversed. The Appellate Court Judgment further rendered that Sheila Newman (“Plaintiff”) take nothing and pay all costs of the appeal noting “that there was error in the trial court’s judgment”.

Subsequently, the Plaintiff filed a motion for rehearing and a Motion for Reconsideration En Banc both of which the Appellate Court denied. On March 21, 2012, the Plaintiff filed a Petition for Review with the Texas Supreme Court. The Texas Supreme Court requested that the Plaintiff and the Company file Briefs on the merits of the contested matter before deciding on whether to hear the case. The Briefs were completed and submitted in 2012.

On February 15, 2013, the Texas Supreme Court denied the Petition for Review filed by the Plaintiff.

SIGNATURE
